- find Edgewood Junior High School. Our Twitter feed is on this also.

Edgewood Junior High School

May, 2018

Creativity, Optimism, Learning, Togetherness, Success
An "A" school in an "A" corporation!

Academic Super Bowl

Our Academic team placed 1st or 2nd in every category at their competition Sat at Batchelor MS! We are proud of the 16 students and their coaches!

Colts with Character

Each month we focus on a **life skill** during a 30 minute session on a Wednesday morning. On May 9, we will focus on **RESILIENCE!** When we get knocked down by life's situations and events, we can come back stronger than ever!

Annual Movie Day

On May 24, our last student day, we will walk to the high school to watch the movie, WONDER, in the auditorium! Students will get lunch when we return, then finish the day with group activities! Students will be informed of criteria for attendance, namely no added Discipline Records, May 3-23.

Garden Guardians

Our new group will be planting fruits and vegetables on campus. The group has constructed the raised beds and moved some towers, to the back of EJHS on the hill. Going forward, we will need new leadership at EJHS. If you are interested, contact Mr. Gallagher.

Eraser Burns

A new concern at EJHS! We have students with burn marks on backs of hands and forearms. They continually rub an eraser on their skin until there is an open wound. This can be easily infected and leaves scars. Please check and advise your students to make better choices.

Students of the Month

Congratulations to these students who practice being exceptional Colts!

6 – Tabbitha Rogers and Zoey Hofmann

7 – Ty Abel and Emma Livingston

8 – Keelyn Tiller and Clint Shockney

MAY

8 – Last day to check out library books (2wks)

17 – Final exams begin – also 18, 22, and 23

22 – Honors and Awards program

23 – Chromebook collection

24 – Movie and Field day

Chromebook Collection

On **Wed May 23**, Chromebooks will be collected in each classroom, 7th period. They will be checked visually for any damage or missing items that were issued to your student, so that charges will be assigned to you.

New AM Entrance Policy

Reminder: Car Drop-Offs and walkers will be admitted only at the Front Red Doors - they will be unlocked at 7 am. All other doors will always be locked. **Cars must remain in single file for drop off, close to the curb. Do not form a second line; it's unsafe for students to walk through the curb line to the sidewalk! And our staff needs to be able to get through on the left!** For evening events, Door 7 will be unlocked 1 hour **before the start time** of the event, as is our usual practice.

Update Your Data

ALL information in Harmony should be updated any time you have a change in address, **email**, **phone numbers** and emergency contacts. The **email** will need to be current for final **report card** notification and messages about schedules and school opening for 2018-2019.

Farewell!

This is my last newsletter as EJHS Principal. There is not enough room here to write all my sentiments but at the end of 28 years, I would spend them all here with you and your students again, with no hesitation! After 36 years in education, I'm driving off into the sunset for adventures as yet unknown! Life's best to you!
